

Application No. 10/554,140  
Amendment, dated June 24, 2008  
Response to Notice of Allowance April 1, 2008

PATENT

**Amendments to the Specification:**

Please amend the paragraph added by the Preliminary Amendment filed October 20, 2005 immediately following the title on page 1 as follows:

This application is a National Stage of Application No. PCT/GB2004/001778, filed April 23, 2004, which claims priority to British Application No. GB 0309479.4, filed April 25, 2003 and British Application No. GB 0310334.8, filed May 6, 2003.
